

Hotel am Konzerthaus, Vienna

Am Heumarkt 35-37, 1030 Vienna
Austria

The Hotel am Konzerthaus lies in the heart of Vienna's historic city center. The building has been in use as a hotel since 1983, combining a welcoming atmosphere with a unique and stylish ambiance. The hotel's interior has been designed in the style of Viennese art nouveau, a fascinating era of art that left its mark on Vienna like no other. A multitude of influential artists, architects and designers produced works here that continue to dazzle the world – from Gustav Klimt to Oskar Kokoschka and from Otto Wagner to Egon Schiele.
